Hi Jeannie,

I finished the revisions of the FSEIS, and have Jim and ken review the document tomorrow.

Attached are the following documents for some final input from you:

•☐☐☐☐☐☐☐☐ **Exec Summary:** All your edits are incorporated. Some new text was added based on your comments,, in track-changes. Please review and approve. I include your sent document with my comment responses in it.

•☐☐☐☐☐☐☐☐ **Chapter 5:** Same a few new edits; all other are included. In addition, Jim and I tweaked teh section on Climate change 5.7.3. Please review these 1.5 page and approve (we don't use track-change to allow for a fresh read through. All key points are still in there.

•☐☐☐☐☐☐☐☐ **Chapter 6:**

Ex. 5 - Deliberative Process

 Please approve.

Please do by noon if possible, as I need the afternoon for dealing with Ken and Jim's comments. As always, I maintain all MASTERS. Thus, please make sure I can find the edits.

Also, when can I have the comments back on the RTC so that I can shelf that one as well? I hope it can be noon too, if you want to get the FSEIS out on Friday, so that I can stack remaining activities properly.

I will work on the SMMP in the morning.

Thanks,

Bernward
